American Jewish Congress Strikes At Heart Of Common Sense - - -

On March 31, 1955, at the end of an eight-day trial in Superior Court in Newark, N.J., during which the jury was not allowed to see hundreds of documented papers of evidence, Rabbi Prinz V.P. of the World Jewish Congress, V.P. and member of the Exec. Committee of the A. J. C., and now President of the New Jersey A. J. C., was awarded a judgment of \$30,000 against Conde McGinley, editor of Common Sense. The suit was promoted and directed by the Commission on Law and Social Action of the

To bring new readers up-to-date, Rabbi Prinz, of the American Jewish Congress, sued the editor, Conde McGinley, for \$250,000 for making the allegedly libelous statement: "Red Rabbi Dr. Joachim Prinz of Newark, who, not unlike Albert Einstein, was expelled from Germany for revolutionary communistic activities, is the Vice President of the American Jewish Congress." Since Mr. McGinley was not permitted to present his evidence to the jury in the trial, we will present it in COMMON SENSE, and let the public decide.

By his own admission, Rabbi Prinz was brought into this country at the invitation of Rabbi Stephen Wise who founded the Zionist movement in this country, the American Jewish Congress, the Free Synagogue, the Jewish Institute of Religion, the World Jewish Congress and many other movements. The red record of the late Stephen Wise is known even to the most naive, but for the record we cite here some of his communist and communist-front citations:

RABBI STEPHEN S. WISE—[Deceased] was President of the American Jewish Congress; [Free Synagogue, New York] American Friends of Spanish Democracy, Member, Medical Bureau, Sponsor, Medical Bureau, [Manhattan Chapter

American Jewish Congress.

The trial was intended to be the final knock-out blow to Common Sense, and, indirectly, to all those informed patriotic Christians who dare occupy the front lines in this battle to expose the Marxist world plot. Jerome Eisenberg, attorney for Rabbi Prinz, stated in his charge to the jury that he wanted "a stiff judgment, not only to stop McGinley, but also a hundred other McGinley's."

The American Jewish Congress is the aggressive Zionist organization which forces its members into key spots in government, such as their Vice President, Simon Sobeloff, as Solicitor General, who is the real power in the Justice Department.

Attorneys representing Rabbi Prinz were: Will Maslow, Chief Council of AJC, Philip Baum, also of the New York office of AJC, and Jerome Eisenberg who at the time was Chairman of the Commission on Law and Social Action, all Jews.

During the ten years Mr. McGinley has been exposing un-American forces and protecting him-

self against vicious attacks of the A. J. C. and others, he spent every dollar he had. The A. J. C. not content, is now engaged in trying to destroy the new corporation, Christian Educational Association, of which Mr. McGinley is an officer at no salary. The AJC assumes that any anti-Communist movement Mr. McGinley is connected with during his remaining years is his personal property and they intend to destroy it. Rabbi Prinz and his Zionist group have had subpoenas issued for twelve who are connected with the Christian Educational Assn., or have no connection whatever with the C. E. A. or Mr. McGinley, to be brought before a Jewish Judge, Murray Simon, and questioned by Master in Superior Court, Robert Leff, (Jewish) and depositions taken by a Jewish firm. So far only seven have been questioned.

This is the first of several articles giving the full picture of the Prinz vs. McGinley case, which was not allowed to be brought out in a so-called court of Justice. Look for subsequent issues and save them for future reference.

Adlai Stevenson receives A.J.C. award, as Rabbi Prinz looks on, at the 19th Annual Hanukkah Breakfast in Chicago, where Prinz made keynote

address. Stevenson's record and Prinz's activities are obviously aimed at one and the same goal, which is Zionist World Government.

Throughout the trial, Rabbi Prinz denied any active part in German political life. His only "sin" and the reason he was expelled from Germany (according to his testimony) was for religious reasons only, and specifically for making a statement in defense of Jesus Christ from the pulpit!

According to a Newark News clipping, September 7, 1939, Rabbi Prinz was a leader of German Zionism, and congratulated particularly "for his active participation in the Zionist movement in Germany" by Rabbi Silberfeld. At his installation as Rabbi in the U. S. at which Rabbi Wise presided, Rabbi Wise predicted that Rabbi Prinz would become one of the greatest leaders of American Jewry. A Newark News clipping of September 14, 1939 states: "Dr. Prinz was rabbi in Berlin in 1926. He was expelled from Germany in 1937, because of addresses ATTACKING THE GERMAN GOVERNMENT" (emphasis ours). According to the November 26, 1937, New York Herald, Rabbi Prinz stated he fled from Germany October 1936, after he had been ordered to report to the police for anti-Nazi teachings. The San Antonio Express, March 17, 1938, had this

The Mystery Of Jewish Power - -

By Kenneth Goff

There was launched in ancient Babylon 2500 years ago, the most powerful secret organization the world has ever known. Like a serpent, it has crawled down the corridors of the centuries, and continues to be today the dominating force among the nations. Jesus called its leaders, in His day, a "generation of vipers."

But such an organization does exist and must be destroyed! America and the rest of the world will be delivered from its grasp, only when the truth becomes known. The task of enlightening the masses of people is rendered difficult by the control which the organization wields over governments, international finance and channels of public information.

From the days of Moses until the war with Babylon, the main religion of Israel, both in the ten Northern and two Southern tribes, was monotheistic belief in Jehovah God and observance of the Mosaic Law. The twelve tribes first had Tabernacle worship, and later the Temple rituals which looked forward to the coming of the world's Redeemer.

When the Southern tribes of Benjamin and Judah antagonized Babylon, in defiance of Jeremiah's instructions, a change took place. King Zedekiah held a rendezvous with the prophet and privately admitted, "I am afraid of the Jews that are fallen to the Chaldeans."

Jewish pressure on the court resulted in Jeremiah's persecution and the Babylonian captivity. While in Babylon, Jewish leaders had ample time to go into the Country's libraries and study the black magic and sorcery that had come down from the days of Cain.

They blended the black arts with the Law of Moses and evolved the Talmudic system, which has remained embedded in international Jewry to the present hour.

The Jews entered Babylon with priests, Temple worship and the book of Moses. They came out with rabbis, synagogues and the Talmud.

The Talmud is the bible of Judaism. The Old Testament is used for window dressing purposes. Chief Rabbi Hertz, states in the front of the Babylonian Talmud:

"During the exile, Israel found itself. It not only rediscovered the Torah and made it the rule of life, but under its influence, new religious institutions such as the synagogue, congregational worship without priests or ritual."

Arsene Darmester, who has been long recognized in Jewish circles as an authority on the Talmud, has this to say:

"Nothing, indeed, can equal the importance of the Talmud...The daily study of the Talmud, which among Jews began with the age of ten to end with life itself, necessarily was a severe gymnastic exercise for the mind, thanks to which it acquired incomparable subtlety and acumen...The study of Judaism is that of the Talmud, as the study of the Talmud is that of Judaism. ...Thus became possible the strange phenomenon, unique in history, I believe, of a people dispersed to the four corners of the earth, yet one, of a nation without a land, yet living. The miracle was accomplished by a book, the Talmud."

It is the Talmud, and nothing else, that binds international Jewry into a solid body. Darmester generalizes when he refers to the Satanic document as a "book." In reality it encompasses 63 large volumes, containing the accumulated writings of rabbis from Babylon to the fifth century A.D.

Rabbi Morris N. Kertzer says: "The Talmud consists of 63 books of legal, ethical and historical writings of ancient rabbis. It was edited five centuries after the birth of Jesus. It is a compendium of law and lore. It is the legal code which forms the basis of Jewish religious law, and it is the textbook used in the training of rabbis."

While in Babylon, the Jewish leaders propounded the theory that they were a chosen people, a God race, to which all other peoples were inferior. The idea of complete control of mankind through world government developed from this seed thought.

Talmudic leaders in the day of Christ decided first to accept Him, thinking He would lead a rebellion and give them world dominion. He killed the movement in the morning and they turned against Him.

To accomplish their end, those who framed the Babylonian plan established an occult organization known as the Kehillah, and sometimes called Kahal, which means "Community Assembly of Government," and took the snake as a symbol. These black magicians decided to conquer the world through serpent-like slyness.

Kenneth Goff

The head represented those who had been initiated into the plans of Jewish administration, while the body of the snake symbolized the Jewish people. The administration was to be kept secret, even from the masses of Jews. As the snake would penetrate the hearts of nations, it could be expected to devour everything in the way.

There was a depth of meaning to the words of Christ addressed to the Talmudists of His day: "O generation of vipers, how can ye, being evil, speak good things? For out of the abundance of the heart the mouth speaketh." And: "Ye serpents, ye generation of vipers, how shall ye escape the damnation of hell?"

The ability of the Talmudic power to penetrate and gain control over governments was noted in the Wilson, Roosevelt and Truman administrations—which, incidentally, resulted in two world wars, and the rise of anti-Christ Zionism and Communism. The impact of the criminal code embodied in the Talmud, comes home to every American fireside, a fact to which our people are, for the most part, oblivious.

These writings of the rabbis contain the filthiest rot ever put into human language. For instance, Jesus is described as a bastard, conceived during menstruation, when Mary had sexual intercourse with a demon. (And bear in mind that every living rabbi occupies the office he holds in the system, for having devoted years of his life to a study of the Talmud.) When Jewish leaders accused our Lord of being the son of a depraved woman, He retaliated by saying: "Ye are of your father the devil."

This is only a sample of the Talmud's sewage. Imagine a "religious" code devoting pages and lewd details to explaining the right of a rabbi to cohabit with a three-year old baby girl.

No other "religious" teaching has ever underwritten or subscribed to lying, cheating and murder (of other races) as tenets of its faith. No other "religious" teaching has become so racist that it regards the rest of mankind as being on the level of beasts.

Little wonder that our Lord defied the Talmudists and called them "whited sepulchres full of dead men's bones," to their faces!

The book contains thousands of superstitions, such as carrying pulverized manure from a white dog around the neck for certain cures. If one eats fish, he must not be bled on the following day. If he has been bled he must not eat fish on the following day. On the third day both would be dangerous. After blood letting a man must not, on the same day, drink milk, eat cheese, onions or vegetables. If a man, however, has eaten these things, he should mix a quart measure of vinegar and a quart measure of wine and drink the concoction. It is a sacred requirement that one must spit if the name of Christ be mentioned.

The contents of the Talmud explains why the Jews are strange, different and odd. Their minds have been for centuries warped, by a demoniac code. Their egos have been inflated into a state of self-hypnosis, causing them to believe that they are in some mysterious way especially "chosen."

The Talmud demoralizes everything it touches. Before this occult power gained the upper hand in our part of the world, American thought was basically Christian. But when Jews carried their Talmudic doctrines into the field of literature and art, there began a rapid decline.

The serpent is today crawling in every department of our national existence. It is no accident that Christian patriots, particularly the opponents of Communism, are systematically smeared and maligned by press and radio. It is no accident that millions of Americans sit night after night, and watch Jewish "entertainers" put on filthy, suggestive and disgusting programs.

Radio and TV are Talmudically controlled. Most of the actors are Jews, but Gentiles who perform, must use scripts prepared, for most part, by Jewish writers.

(Anyone who doubts that our air waves are under Talmudic domination, only needs to investigate the radio scandal of Wichita, Kansas where Dr. Gerald B. Winrod has tried 18 years to purchase time for definitely Christian broadcasts on local stations. Managers tell him the B'nai B'rith Jewry has forbidden him the right of speaking, despite the fact that he has offered to submit his scripts a month ahead of time for examination.)

The B'nai B'rith Fraternal Lodge for Jews only was organized in 1843. It operates at international levels, in all countries. In 1913 the B'nai B'rith added to its many sided organization, one known now as the Anti-Defamation League. This outfit is richly endowed and heavily staffed, with tentacles reaching throughout the United States.

Its professed aim is to combat racial and religious intolerance. In actual practice, it has consistently directed attacks upon known opponents of Communism, using smearing, vilification, misrepresentation and character assassination as chief weapons. Just why any race should be permitted to operate a Getapo in the United States, is not clear.

The Anti-Defamation League is a police agency, which seems in some respects, to even surpass the F.B.I. Only three or four members of the House and Senate have ever dared resist its power. It admits maintaining a force of 2000 expert investigators in cities across the continent, and thousands of other helpers.

They keep files, listing the names and containing the records of every man and

woman in whom, for any cause the Jews might have the least interest. The organization has been correctly branded an invisible government.

To give an example: It often happens when I travel about the Country speaking against Communism that, upon reaching a city, I find a group of Jewish businessmen, and usually a rabbi and liberal preacher, have called on the Pastor sponsoring the meeting.

With them they bring the same stale trash out of Anti-Defamation League files, charging me as being anti-Catholic, anti-labor, anti-negro and anti several other things. Other speakers have the same experiences. The local auspices sometimes become frightened and intimidated.

I have actually faced reports taking me back to the age of 10, so thorough is Anti-Defamation League sleuthing. They even tell about the time when, as a boy, I tied wire around an outhouse near the railroad track on a Halloween night, and the midnight freight smashed it to bits. These reports contain my school record, and many things about my private life and that of my family. They tell how I have been arrested for "criminal activities" (neglecting to explain that those activities consisted of fighting Communists). This record against me is known to be in the files of Anti-Defamation League offices in more than 1200 American cities.

From these centers there goes forth millions of pieces of deceptive literature a year, packed with falsehoods, half-truths and Talmudic propaganda. I am listing some of the books this Gestapo has prepared. On the surface, they appear to have been written by different authors, but it is not difficult to trace them to their common source:

"Under Cover," by John Roy Carlson, "How Secure these Rights," by Weintraub, "The Nazis Go Underground," by Riess, "The Time Bomb," by Pillar, "A Measure of Freedom," by Forester, "The Trouble Makers," by Forester and Epstein. The latest of these books is "Apostles of Discord," by Ralph Lord Roy.

Such books are widely publicized on the radio and through the press. Millions of Americans have been deceived. But if someone should write the true story of the Anti-Defamation League, he would be attacked as an anti-Semite and smeared from Dan to Beer-sheba.

The power of the Gestapo is so great that it was able to seize control of the House Committee on Un-American Activities in 1954, when Congressman Velde of Illinois was chairman. It is reported in Washington that they succeeded in getting "something" on him.

The time came when Committee reports had to be cleared with the Anti-Defamation League, before being released. We were treated to the spectacle of a powerful Congressional Committee becoming a Talmudic tool.

It was a slick operation when the Anti-Defamation League began taking over government groups, clothed with the responsibility of investigating and wiping out Communist organizations. I have watched, with abiding interest, the unfoldment of the scheme.

In 1947, I was visited by State Senator Ben Gettleman of Wisconsin and asked to accompany him to talk with the editor of the Milwaukee Sentinel, a Hearst publication. He said the editor wished to see me before I appeared before the State Legislature to advocate a bill requiring professors to sign the Loyalty Oath.

I found the editor to be a Jew. He told me that the Anti-Defamation League and various Jewish leaders were looking for someone like me, a former Communist, to dramatize before the public and make a national hero. He said they had studied several who had left the Party, but found no one with the fluent speech and crusading spirit that I possessed. He said Louis Budenz had some of the qualities desired, but they were afraid to use him because he was a Catholic, under the direction of

the Church. Being a Protestant, I would be more free.

The editor told me if I would sign a statement which he had prepared, condemning Communism and Fascism together, declaring Fascism to be the greater menace, it would appear in every newspaper the next day, and from there on I would become the most publicized fighter against Communism in the nation. They would prepare books for me to assure handsome royalties. I would never again have a financial worry as long as I lived.

I read the statement. It said I agreed with Pope Pius the eleventh that "spiritually we (Christians) are Semites." I would have to attack Major Robert H. Williams, Dr. Harvey Springer, Dr. Geraff B. Winrod and scores of other stalwart Christian patriots, as being dangerous to the American way of life.

I refused to sign, and from that day to this, I have been under attack by the Anti-Defamation League.

Unfortunately, comparatively few Christians, loyal Bible-believing Christians, understand the true nature of the opposition that works against them. Everything possible should be done to enlighten them.

Talmudic Jewry supports financially, and in other ways, left-wing causes that promise to denature and devitalize true Christian effort. Here is a clear-cut illustration:

I have before me a 280-page volume containing the 1953 annual report of the American Jewish Committee, prepared for its members. No matter the fortuitous circumstances under which this enlightening item came into my possession, it is at hand.

If Christian people of the United States could read pages 95 to 112 inclusive, they would understand many things for which there is no other explanation. Ten branches or departments of the American Jewish Committee are named and their areas of operation defined, with an explanation of what each is doing in infiltrating the Protestant and Catholic church life of America. The record of results being achieved and methods used for covering their steps, is frightening.

Concern is expressed over, "A Fundamentalist reaction as evidenced by the spread of revivalism, the shift of the National Council of Churches towards expansion of the Fundamentalist churches whose following, in some cases, has swelled more than 100% over the past decade."

According to this report, the denomination most responsive to Jewish infiltration, at the present time, is Methodism. The schemes used for boring into church groups, both Protestant and Catholic, reflects "incomparable subtlety and acumen."

Talmudic Jewry is directly responsible for the racial strife which is so rapidly developing in our Country. Their program includes stirring the Negro population on the theory that disturbances of this kind help the Jews.

They are directly responsible for the FEPC bill, the Genocide Treaty and numerous other un-American proposals. Inter-marriage between other races is advocated in their propaganda, but not for themselves. A surprisingly large number of Negroes are coming to understand what is happening and do not propose to be made the goat!

When the Jewish motivation of the old Federal Council of Churches of Christ in America became known, the chameleon changed its colors and the National Council of the Churches of Christ in the U. S. A. was born.

Intimate collaboration between Jewry and the National Council is a well-known fact. There exists no barriers to infiltration. The Jews have been given a free hand. Talmudic teachings are being planted in Sunday School literature, daily vacation Bible School programs, Church papers, denominational Colleges, theological Seminaries and other areas. Infiltration has been reduced to a science.

February 25, 1955 was designated by the National Council as a "World Day of

Prayer." From its headquarters in New York City, posters measuring 11 x 17 inches in size and gorgeously printed, were sent to Churches throughout the Country for public display.

On the left side, reaching to the top, there appeared the figure of a **BLACK CHRIST**—a perfect figure of our Lord, except that He was portrayed as a Negro.

On the right side and lower, there appeared the face of a white woman, eyes lifted in adoration, fixed upon the black figure.

It probably never occurred to the vast majority of Church goers seeing this placard that here was Talmudic propaganda in the raw—the product of a well organized and powerfully financed "inter-racial" program.

We are not surprised to learn of devoted Negro Christians protesting against this innovation. They know that the Lord Jesus Christ was not a black man on the human side, and resent the misrepresentation. But they know also that they are as precious in His sight as any other members of Adam's race, when He is accepted as Lord and Saviour.

Talmudists in the United States have, during recent years, waged a war against singing Christmas carols in our schools. They publicly advocate observing **Hannukah** during the holiday season, including the lighting of their candles. They oppose Bible reading in school rooms. They object to having Gideon Bibles placed in hotels.

They are now releasing films to our schools for free service, such as "Sing A Song of Freedom" and "Boundary Line," and others which attack Anglo-Saxons and call for mongrelizing of our race. In some places they have even gone so far as to pass out colored and Chinese dolls to create impressions in the minds of little white girls that their future babies may be of a color different from themselves.

We are being treated to a spectacle of audacity here in the Denver area. During the last school year, an expensively produced Annual with spiral binding, was distributed by the Talmudists through the local Parent-Teacher Association, in cooperation with the Denver public school system, called "Appointments, Memoranda and Reminders."

Forty-three holidays are listed, including the following, of Jewish origin:

Race Relations Day, Brotherhood Week, Purim, First Day of Passover, Second Day of Passover, Last Day of Passover, First Day of Shabuoth, Second Day of Shabuoth, Fast of Ab, First Day of Rosh Hashana, Second Day of Rosh Hashana, Yom Kippur, First Day of Succoth, Second Day of Succoth, Shemini Atzereth, Simhat Torah, United Nations Day and Hannukkah.

This subject is so big and far-reaching in import that I feel, that only the outer fringe has been touched. In closing, let me appeal to Christian readers everywhere to make the problem a subject of prayer, because help from a supernatural source will be required, if this Satanically-motivated crime against humanity is ever broken.

to say: "In 1936 Dr. Prinz RESIGNED HIS PULPIT TO DEVOTE HIMSELF TO POLITICS, and was immediately forced to leave Germany" (emphasis ours). It further stated he had joined the Zionist movement in 1917, and that in the University of Breslau rabbinical seminary, he was the editor of a POLITICAL Jewish publication. This clipping clearly indicates Prinz had been a Zionist for 35 years and that he had edited a POLITICAL Jewish paper. Most important of all this indicates that at the time he was expelled from Germany, he was more of a political figure to the regime than the religious figure he claimed. He was also on the editorial board of the Judische Rundschau with Max Nussbaum, later President of the American Jewish Congress' Southern California branch, and following is the red record of Rabbi Nussbaum:

RABBI MAX NUSSBAUM— [Cal. Pres. Pacific Coast, American Jewish Congress, Chairman, American Zionist Council, L.A.] American Jewish Congress-Southern Calif. Branch 1948, President; American Youths for Democracy (Young Communist League), Sponsor, Salute to Young American Dinner, LA Sponsor, also 2nd anniversary AYD-Welcome Home Joe dinner—gave award to Frank Sinatra, LA; China Conference Arrangements Committee; Citizens Committee to Aid Locked Out Hearst Employees, Sponsor; Down-town Forum (Communist), Speaker; Jewish Black Book Committee of LA Chairman, Rally, Presentation of Black Book, Same, Speaker.

Pictured above is the American Jewish Congress headquarters, 15 East 84th St. N. Y. From this building come the powerful Zionist directives.

Rabbi Prinz has continued his political activities from the day he landed in America and continues them to this date. Prinz arrived in New York Aug. 1, 1937, to tour the U.S. for the United Palestine Appeal (New York Times, Aug. 2, 1937). On Sept. 1, 1937 (N. Y. Times, Oct. 21, 1937) he was co-speaker with Rabbi Stephen Wise who, according to Ben Gitlow, former head of the Communist Party, in testimony before the Un-American Activities Committee "carried out the instructions of the Communist Party". He warned Congress against belittling anti-Semitic movement (N. Y. Times, Nov. 28, 1937). Prinz urged the New England Conference of the A.J.C. to boycott Germany and attacked Father Coughlin as a reflection of Goebbels (Boston Post, Feb. 6, 1939). According to the Newark News, Sept. 7, 1939, Rabbi Prinz, "under the Hitler regime, was spokesman of German Jewry, negotiating with the secret police on behalf of his people. He was a leader of German Zionism, but due to ATTACKS ON THE GERMAN GOVERNMENT IN SPEECHES AND SERMONS HE WAS EXPELLED FROM GERMANY IN 1937. Called to America by Rabbi Wise, Dr. Prinz has spent two years lecturing..." (emphasis ours). "Dr. Prinz said he negotiated with Dr. Goebbels and the Nazi Government officials. It was the only time a Jew did so, he declared. ... To his amazement, he said, the government representatives received the idea favorably, granted the Jews' demand... Then the secret police intervened, deprived Dr. Prinz of his citizenship..." (Newark News, Oct. 14, 1939).

Rabbi Prinz assailed Lindbergh for his speech at Des Moines, Thursday, in which the flyer contended Jews are warmongering. Dr. Prinz said the Jewish people are innocent of war agitation and castigated Lindbergh as 'an anti-Semite and pretender to a possible future Fascist American leadership' (Nwk. News, Sept. 13, 1941). This alien, Talmudic Zionist Rabbi, who came to this country at the express invitation of Rabbi Wise, one of the "ministers who carried out the instructions of the Communist Party..." dares to attack a great Christian American hero, Lindbergh!!!

Dr. Prinz called for the formation of a Jewish Army from Palestine to fight against Fascism (Nwk. News, Feb. 7, 1942). In talking before a Zionist group, his subject was "Zionism, Nationalism and Liberalism" (Nwk. News, March 13, 1942). Before a Hadassah group, Rabbi Prinz stressed that Zionism is not a charitable movement for refugees from anti-Semitism; "Zionism is identical with the organized Jewish people... Zionism is the Jewish people on its way home". (Nwk. News, June 17, 1942). On Sept. 12, 1942, in the Nwk. News: Rabbi Prinz stated: "In the underground movement of occupied France, Jews play an important role..."

On April 17, 1943 (Nwk. News), Rabbi Prinz asked for "interpretation of the death of Christ in a new light". Rabbi Prinz publicly criticized the purchase of sixty copies of "Red Channels" (a publication listing the communist-front records of entertainers) by the School Superintendent, which publication he characterized as "unreliable information" (Nwk. News, Sept. 20, 1950). Prinz is on record in favor of F.E.P.C. (Nwk. News, June 15, 1947); mercy killings (Nwk. News, Jan. 21, 1950). He asked leniency for the Rosenbergs who were electrocuted as traitors (Nwk. News, Jan. 17, 1953) but termed the life sentence of Ilse Koch "a light sentence for her crime" (Nwk. News, Sept. 28, 1948). Rabbi Prinz was a friend of the late Dr. Albert Einstein who has a record of over 50 communist and communist-front citations.

More recently he objected to city employees taking loyalty oaths (Nwk. Star-Ledger, June 3, 1955) and even more recently (N.Y. Herald Tribune, Jan. 23, 1956) Prinz is listed along with communists, communist-fronters and do-gooders, as a signer of a telegram to the Senate demanding "appropriate action immediately" against Sen. J. O. Eastland of Mississippi. On Dec. 22, 1955, in the Jewish Sentinel (Chicago) Prinz was pictured as keynote speaker at presentation of an American Jewish Congress award to Adlai Stevenson for Adlai's "furtherance of constitutional principles". Prinz spoke, saying the U. S. government "must in all decency assume the responsibility for the preservation of Israel." This award has a dual significance: Prinz as the spokesman and member of the Executive of the A.J.C. obviously is in complete accord with Stevenson's principles, such as they are, and is uncaring of his disreputable record which was thoroughly exposed during the last presidential campaign. Prinz, a Zionist Jew, has never faltered in his determination to extoll, praise and work for Israel; yet he comes to this country and subverts traditional and sacred practices such as bible reading in our schools (reference Nwk. News, Oct. 4, 1953). And this is the Rabbi who, under oath, testified that he was expelled from Germany for making a speech defending the name of Jesus Christ!!!

From around 1948 (N.Y. Times, July 7, 1948) Prinz was a member of the Executive Comm. of the World Jewish Congress to at least Jan. 28, 1955 (London Jewish Chronicle). His importance as an alien Zionist Jew and figurehead of the Talmudic world conspiracy had never been realized until recently when we found he is one of the most powerful Zionists in the world.

From the above, it can hardly be doubted that Rabbi Joachim Prinz was a major POLITICAL figure in both Germany and America and not just an innocent Rabbi "defending Jesus Christ from the pulpit". As to the color of his complexion...???

JEWISH "CASUALTIES" PRINZ STYLE

Taken from various articles of the Newark News - all made by Rabbi Prinz.

Sept. 13, 1942 - "During the last three years the Jewish people have lost 9,000,000 men, women and children..."

Nov. 11, 1942 - "The Jewish population in Germany has been reduced from 600,000 to 65,000." (But, Rabbi, what about those 6,000,000 Jews Hitler "killed"?)

Nov. 30, 1942 - "Use of poison gas solved this problem and in the last two months the Jewish population of Europe has decreased 2,000,000."

Feb. 8, 1943 - "The Jews have suffered the loss of over 3,000,000 people so far."

May 6, 1945 - "We can do nothing for the 5,000,000 Jews who have died under Nazi savagery."

AMERICAN DISCUSSION LEAGUE

On Jan. 26-28, 1940, The American Discussion League held its first national convention in Community Center, New York. Its theme was "The Revitalization of Representative Democracy." (From original pro-

Rabbi Israel (12 front) Goldstein

gram).

At this convention Rabbi Prinz spoke on "Is there a solution to the Jewish Problem?" John Haynes Holmes, identified by Ben Gitlow as "carrying out the instructions of the Communist Party" was Chairman.

Running down the list of names of the speakers and chairmen on the program, we find that almost two-thirds of the individuals listed have Communist or Communist-front records totaling FOUR HUNDRED AND TWENTY-THREE CITATIONS, and this record is based on the most casual check of the Communist Party front sources such as Appendix IX. The most notorious Communist-fronters included Julia Church Kolar (an officer of the League—17 citations), Clyde R. Miller (25 citations), John Haynes Holmes (19), Rabbi Israel Goldstein (12), Dorothy Kenyon (50), Francis J. McConnell (70), Leroy E. Bowman (22), Norman Thomas (15), Mary E. Wooley (52), Elmer Brown (18), John A. Lapp (20), Arthur Garfield Hays (25), and Robert Minor, listed in the program as "ACTIVE IN THE COMMUNIST PARTY". Minor for years was General Secretary of the Communist Party. Rabbi Prinz, expelled from Germany, was the speaker, and it was he who sued Conde McGinley for calling him a "red Rabbi".

Jewish 'Anti-Communism'

by George Pickney

A timely expose of events leading up to and the people behind world Communism, JEWISH 'ANTI-COMMUNISM' is a well-documented, authoritative account of the important role played by the upper echelons of Jewry to further the Marxist plan. Read what the Jews themselves say.

The author traces the development of this anti-Christian movement from its inception, through its activity in various European countries, to the present day spy-rings in the United States.

Why has the menace of Communism become stronger and spread over a large part of the globe? What can be done to effectively combat this threat to Christianity? Only the knowledge of what Communism really is can provide the basis for effective opposition.
